THIS CAUSE coming on pursuant to the Order of Pre-Hearing Conference (“Hearing Order”) on October 31, 2013 at the Lee House, 2nd Floor Hearing Room, 422 North Blount Street, Raleigh, North Carolina at 10:00 a.m. Jason Rosser, Assistant Attorney General appeared as counsel for the Complainant, and Lora Chavez, owner of Respondent, appeared for the Respondent.

Pursuant to the Hearing Order a pre-hearing conference (the “Hearing”) was held for the purpose of considering matters which would simplify the issues and expedite the proceedings in the above referenced case. No affected employee of Respondent, or its representative, attended to have a say in, or participate as a party in, the Hearing. At the Hearing Complainant and Respondent notified the Undersigned that the parties wish to agree upon certain stipulations (“Stipulations”) and to make certain motions (“Motions”). Complainant and Respondent request that the Stipulations and Motions be made part of the Hearing record and that the Undersigned issue a Final Order. The Stipulations and Motions are as follows:

STIPULATIONS

1. The Complainant as Commissioner of Labor of the State of North Carolina is charged by law with compliance with and enforcement of the provisions of the Occupational Safety and Health Act of North Carolina (the “Act”). The Review Commission has jurisdiction over the parties and the subject matter to this action.

2. Respondent is a North Carolina limited liability company, duly organized and existing under the laws of the State of North Carolina, which does business in the State of North Carolina and maintains a place of business in Benson, North Carolina. Respondent is in the business of construction framing. Respondent is an “employer” within the meaning of N.C.G.S. Section 95-127(10); all of Respondent’s employees referred to in this matter are “employees” within the meaning of N.C.G.S. Section 95-127(9). Notwithstanding the above, Respondent reports that as of the date of this Hearing Respondent is no longer actively engaged in business.
3. On May 22, 2013, Bennett Allen, an Occupational Compliance Safety and Health Officer with the North Carolina Department of Labor, conducted a referral inspection of Respondent’s worksite located at 105 Hybrid Lane Lot 6 in Linden, North Carolina (the “Inspection”).
4. As a result of the Inspection, on June 6, 2013, Complainant issued a citation classified as ‘serious’ consisting of 4 items (“Citation 1”) as more specifically described on Exhibit “A” (the “Original Citation”):
5. Respondent submitted a timely Notice of Contest on or about June 13, 2013.
6. A Hearing in this matter was scheduled pursuant to the Rules of Procedure of the Safety and Health Review Commission of North Carolina (the “Rules”).
7. Neither party has any objection, procedural or otherwise, to this Hearing.
8. Respondent posted the Original Citation and the Hearing Order as required by the Rules. Neither Complainant nor Respondent have received notification from any affected employee that such employee, or its representative, wishes to have a say in, or participate as a party in, this matter, or has any objections in connection with this matter including without limitation objection to the reasonableness of any abatement period.
9. Respondent agrees that the violations alleged in the Original Citation, Items 1-4 inclusive have been abated.
10. The parties agree that upon granting of Complainant’s Motion the penalty for each Item designated in the Original Citation as amended pursuant to Complainant’s Motion has been calculated in accordance with the standard Field Operations Manual procedure and giving consideration by Complainant to standard mitigating factors and to specific factors applicable to Respondent.
12. Respondent agrees to pay the penalty assessed in this matter pursuant to the Original Citation as amended of \$1,300.00 in 12 equal monthly installments of \$108.33 each, with the first installment due and payable on the first business day of December, 2013. All subsequent installments shall be due and payable on the first business day of each month thereafter. In no event shall the payment term extend beyond a consecutive 12 month period, unless agreed upon by the Complainant. In the event Respondent does not pay each monthly installment as agreed upon, all remaining installments become immediately due and payable, and the Complainant retains the right to institute collection proceeding as allowed by law. Respondent agrees to pay attorney’s fees to Complainant in the event that the Complainant has to institute collection proceedings to collect the debt.

13. The parties agree to bear their own fees, costs and other expenses, including attorney's fees if any (except as provided in Stipulation 12 above), that have been incurred in connection with any stage of these proceedings up to and including the filing of this Order.

14. Complainant and Respondent agree that provided the respective Motions of each party are granted there are no other matters that remain to be decided, and that other than a ruling with respect to the Motions no outstanding issues remain to be resolved by an evidentiary hearing of this matter. The parties agree that this Final Order is a full and final resolution of the claims set out in the underlying Original Citation, as amended pursuant to the Motion by Complainant. The parties further agree that (i) the modification of any portion of the Original Citation by Complainant shall not be deemed to be an admission by Complainant that any such portion was alleged without merit, and (ii) none of the foregoing agreements, statements, stipulations and actions taken by Respondent shall be deemed an admission by the Respondent of any of the allegations contained in the Original Citation as amended or waiver of defenses; provided however that in any subsequent proceeding with respect to matters covered by this Final Order brought directly under the Act by Complainant, this Final Order shall have the full force and effect of a final order. The agreements, statements, stipulations and actions herein by Complainant and by Respondent are solely for the purpose of resolving this matter economically and amicably without litigation and shall not be used for any other purpose except for proceedings and matters arising under the Act and Article 21, Chapter 95 of the North Carolina General Statutes.

MOTIONS

Complainant moved to do the following ("Complainant's Motion"):

amend the Original Citation by correcting a clerical error in Citation 1 Item 4 by changing the alleged violation description from "29 CFR 1926.501(b)(10)" to "29 CFR 1926.501(b)(11)"; Complainant and Respondent acknowledge that Respondent is not prejudiced by correcting the typographical error because the standards are similar;

amend the Original Citation by grouping Items 2 and 3, such grouped items to bear a single penalty of \$195.00;

amend Citation One Item 1 by reducing the amount of the penalty to \$195.00, and amend Citation One Item 4 by reducing the amount of the penalty to \$910.00;

the Original Citation as amended shall bear a total penalty to \$1,300.00; except as set forth in this motion, the Original Citation shall remain unmodified or amended

Respondent did not object to Complainant's Motion.

Respondent requested that upon the granting of Complainant's Motion that the Undersigned consider the following motion by the Respondent ("Respondent's Motion"), and Respondent confirmed that the violations alleged in the Original Citation as amended have been abated:

to withdraw Respondent's Notice of Contest to the Original Citation as amended pursuant to Complainant's Motion set forth above.

Complainant did not object to Respondent's Motion.
