THIS CAUSE coming on pursuant to the Order of Pre-Hearing Conference (“Hearing Order”) on July 27, 2016 at the Lee House, 2nd Floor Hearing Room, 422 North Blount Street, Raleigh, North Carolina at 10:00 a.m. Rory Agan, Associate Attorney General appeared as counsel for the Complainant, and Mark Deweese, Vice President of Respondent, appeared for the Respondent.

Pursuant to the Hearing Order a pre-hearing conference (the “Hearing”) was held for the purpose of considering matters which would simplify the issues and expedite the proceedings in the above referenced case. No affected employee of Respondent, or its representative, attended to have a say in, or participate as a party in, the Hearing. At the Hearing Complainant and Respondent notified the Undersigned that the parties wish to agree upon certain stipulations (“Stipulations”) and to make certain motions (“Motions”).

This Hearing was not an evidentiary hearing and the specific facts and circumstances relevant to the Inspection (hereinafter defined) and the Original Citation (hereinafter defined) were not introduced of record, and such facts and circumstances are not included in the Stipulations hereinafter set forth. Based on the Original Citation and Respondent’s Notice of Contest, it appears that no injuries were sustained and that: as the result of an Inspection (herein after defined) of Respondent’s work site two citations were issued to Respondent alleging that (a) in the shop area a RIKON Model 30-240, S/N 12173Q0018 drill press did not have a chuck guard installed; (b) in the shop area, a RIKON Model 30-240, S/N 12173Q0018 drill press and a

Bridgeport S/N J-97091 milling machine were not anchored to the floor; (c) in the shop area, a cylinder of acetylene was stored without the valve protection cap installed; (d) in the shop area, cylinders of oxygen were stored in contact with two cylinders of acetylene; and (e) forklift operators were not evaluated every three years by Respondent. Respondent denied all such allegations.

As a result of this Hearing, Complainant and Respondent request that the Stipulations and Motions be made part of the Hearing record and that the Undersigned issue a Final Order. The Stipulations and Motions are as follows:
